

# La Cañada United Methodist Children's Center

## *A Place For Growing*

Preschool and Daycare for ages 2-5

Our goal is to offer a warm and nurturing environment, rich in opportunity, so that each child can experience the joy of learning which leads to a lifetime of learning pleasure.

Since 1989 this ministry of the La Cañada United Methodist Church has provided both preschool and daycare year-round from 7am to 6pm (hours have been reduced to 8:00am – 4:00pm based upon Covid-19). We are a state licensed school; with low teacher/child ratios and lots of natural outdoor play space.

## Beliefs and Curriculum

- We believe in and support the uniqueness of each family and child
- We nurture and encourage each child to grow intellectually, socially, emotionally, physically and spiritually
- Our curriculum is designed to stimulate those areas of learning in the developmentally appropriate manner. The daily schedule, curriculum and activities for each group are posted in the classroom and available to parents

We invite and encourage parent involvement
